Actd in Pocket Causes Death. FALLS CITY, S. D., May 30 -(Special.) John Topkin, a well known Jerauld county farmer, met with a peculiar death. He visited the little town of Lane, where he purchased a bottle of carbolic acid, which he placed in his pocket. On the return journey to his home, his daughter riding in the rig with him, the bottle was broken and the contents spread over his body and limbs. The pain and shock of the blistering fluid was so great that he died upon arriving at his home. It is supposed that the intense pain brought on an attack of heart failure. REVERSES Home Team Falls on to Starr in First Inning.

PUEBLO, Colo., May 30.—Pueble reversed things today, and with a changed lineup, gave Topeka one of the worst beatings of the season, by a score of it to 3. The locals feil onto Starr in the opening inning, which with his wildness and an error netted three runs. They never let up and Thomason, who relieved Starr in the fifth, fared no better. Miller pitched winning ball and in the fifth inning hit for a home run with two men on bases. Score:
